

Summer E-Newsletter

August 2016

[Netball South](#)

[@Netballsouth](#)

WELCOME

A warm welcome to our summer newsletter that provides a summary of the activities of the last few months. For those who attended the AGM, I would wish to extend my thank you for giving your time. Phyllis Avery became our first President for the South Region. We welcome Stephen Ford to the Regional Management Board and Kelly Hartney who has given 3 years service to the Board is now Treasurer. We shall be looking to recruit to two Technical Support Groups: Coaching and Performance. Please check the website for further information. The Golden Globes was again a successful and enjoyable evening. For those who did not attend, you missed two great guest speakers: Anita Navin and Denise Egan. We shall be revisiting the format of the Golden Globes to see how we can acknowledge more of our volunteers within the Region.

Each year the Competition Technical Support Group revisit the regulations for our Regional Leagues. This year, the Regulations were delayed due to the late information received from EN. The Regulations have been revised into one complete set for all ages. We are one of a few Regions that run U13, U14, U16, U19 and Open competitions. The entry competition for our junior leagues, once again, has proven to be popular with over 50 teams wishing to gain entry to our competitions.

I would wish to congratulate our NPL and NPFL teams who participated in their respective competitions in Loughborough and did extremely well. They were a credit to the Region.

The Region operates a bursary scheme, so please check the website to see if you might be eligible for a South bursary. Support for these is for volunteers who can identify that they have or will be making a wider contribution to the South Region.

The South Region were approached to see whether we would be prepared to put an U21 team into the new U21 competition in September. We reviewed the age requirements and decided not to enter a team due to the late invitation and the problems of recruiting athletes of the correct age and standard within the time frame.

Looking forward to next season which will soon be upon us, I wish you all a successful season. Once again we will be holding a County engagement day. Please check the website for date, time and venue.

Bill Alexander

England Netball's National Coaching & Officiating conference is back at the University of Worcester!

The conference is open to Coaches and Officials and will provide a unique and invaluable learning opportunity to develop in your chosen field.

The final details of the conference are being worked on now, so we will let you know as soon as more information is available so you can book your place!

In the meantime, make sure you keep this date in your diary for what promises to be yet another unmissable event.

IT'S GOOD TO SHARE

Netball South Satellite and County Academies Festival 2016

The Netball South Satellite Academies Festival took place on Sunday 10th April and the County Academies Festival took place on Sunday 15th May – both at the 3-court indoor venue at the University of Chichester.

The aim of the Netball South Academies Festivals is to bring the best of the South's Academy athletes together for a match-play event, allowing benchmarking by athletes and coaches alike. The athletes, chosen by their academy coaches, form representative squads.

The match-play provides an ideal opportunity for the academy coaches and performance leads to observe their county's athletes in action – to see them putting their acquired netball skills and knowledge into game context, which then facilitates informed decisions about the next step for those athletes (e.g. stay in current academy; graduate to next level within county; return to club for further, ongoing development).

Netball South Academies Festival 2016 Trademark Awards

Once again, achievement certificates based on the five England Netball 'trademarks' were awarded to five individuals and one squad at each Festival.

WE ARE UNITED • WE ARE RELENTLESS • WE ARE DIVERSE • WE ARE RESILIENT • WE ARE FEARLESS

What happens next?

Following the end of the 2015-2016 Academy Season for County and Satellite athletes, the Selectors, Scouts and Academy Coaches from each of Netball South's counties will have feedback for their current athletes.

Some athletes will be invited to a regional one day camp and/or a regional academy session or two in the near future – dates will be confirmed with the individual athletes. Coaches are welcome to attend to support their athletes.

On an ongoing basis, Selectors, Scouts and Academy Coaches can nominate any athletes of the required standard to attend a regional camp or academy session.

Decisions about graduating athletes into the Regional Academy are not made on a single 'snapshot' showing: we will observe the nominated or invited athletes over several coached sessions and additional match-play before any further RPA/RA places are confirmed for 2016-2017.

We will all look to forward plan for the 2016-2017 Academy Season.

Thank you from Elly Moore, EN Performance Pathway Coach for Netball South (& writer of this report)

For making the Festivals fun, enjoyable, and successful, my thanks go to:

Every one of the young performance athletes for working hard throughout the year and producing some good netball for me to watch on the day

All 'performance' parents for supporting their daughters' netball ambitions and getting them to these Festivals, and every other netball event or session

Every academy coach for her/his work not just at the Festival but throughout the academy season

The event officials (umpires, scorers) – it couldn't happen without you

Chris Granger & Val Banks for producing the Squad Packs and running the control desk at the Satellite Academies Festival

Sarah Kucera & Tara Capp who ran the control desk at the County Academies Festival

For helping me with athlete observations, Phyllis Avery at the SA Festival & Linda Cairney at the CA Festival

Sophie & Bambi Gardiner for running the coffee and cake stand at the CA Festival ... all proceeds of which go towards netball equipment for the trip to a school in Ghana later this year, where Sophie will introduce netball to the students

Everyone who donated some 'old' netball kit for the same cause

The team at the Sports Activity & Research Centre at The University of Chichester, Bishop Otter Campus

Netball South Academies Festival 2016 Trademark Awards

WE ARE UNITED • WE ARE RELENTLESS • WE ARE DIVERSE • WE ARE RESILIENT • WE ARE FEARLESS

Category of award: United

*For the Academy **squad** who consistently demonstrated togetherness as a team – they were cohesive, integrated, unified*

Winner SA: **Berkshire Blue**

Winner CA: **Hampshire Red**

CAPs Clubs

The Club Action Planning Scheme (CAPS) is a programme designed to captivate you and your netball club. It aims to support you to deliver a quality netball development programme and operate in line with best practice.

There are CAPS Assessments coming up on October 5th 2016. If you believe you are ready to reaccredit then contact your NDO (details below) or the Regional office.

If you are interested in becoming a CAPS accredited club please contact the Regional office or your County Netball Development Officer for further details and support. The process is outlined on the next page.

Regional Office: South@englandnetball.co.uk

Development Officers

Hampshire & IOW: Carey.McCormick@englandnetball.co.uk

Berkshire & Oxfordshire: Nicola.Young@englandnetball.co.uk

Sussex: Stacey.Boxall@englandnetball.co.uk

Buckinghamshire : Joanne.Odro@englandnetball.co.uk

The CAPS Process

Steps to achieving CAPS

What help is available?

Step 1

Registration

Register your club for CAPS by completing the registration form and returning it to England Netball. You must have junior members (U19) and be affiliated to England netball

Download the form from www.EnglandNetball.co.uk/make-the-game/caps or contact your regional office

Step 2

Working towards CAPS

Actively work towards CAPS. You may want to form a working group to assist with completing the assessment file and collecting evidence.

Your Netball Development Officer (NDO) will contact you to arrange a meeting to go through the assessment file.

Step 3

Submission of file

Once you have completed the assessment file you need to submit this to your regional office by one of the assessment dates.

Find the assessment dates at www.EnglandNetball.co.uk/make-the-game/caps or contact your regional office.

Achieve Bronze CAPS

Step 4

Annual Health Check

Once you have achieved CAPS you must complete an Annual Health Check each year of accreditation. This is a self-declaration process to ensure that clubs are maintaining CAPS status.

Your regional office will contact you when you need to complete your Annual Health Check and your NDO will assist you if you need help.

Step 5

Silver and Gold CAPS

Once you have achieved Bronze CAPS you have the option for going for Silver or Gold.

If you wish to submit for Silver or Gold CAPS contact your regional office who will advise and support your club.

Step 6

External Verification

Clubs are randomly selected each year to be externally verified by an independent organisation to ensure that they are meeting Clubmark standards.

If your club is selected you will be informed by England Netball and you will be contacted by ClubMark, the organisation responsible, to arrange a date and time that is convenient.

Step 7

CAPS Re-accreditation

Every four years CAPS clubs must re-accredit. This will involve re-submitting the assessment file.

Your regional office will contact you to tell you when you need to re-accredit and your NDO will be available to assist you with updating your assessment file.

Back to Netball

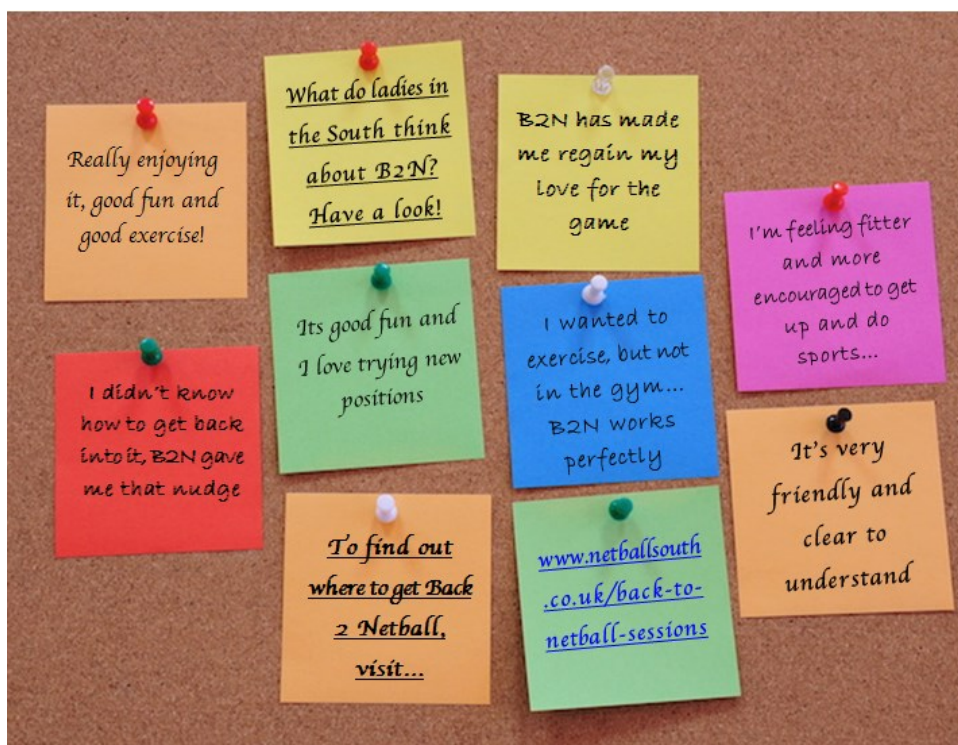

Newly qualified Alton based Volunteer Coach 'Having a Ball'

There is no stopping Gill Ormond, who recently passed her UKCC L2 in coaching Netball. Gill is one of the thousands of ladies who have come through a Netball Now or Back to Netball programme in Hampshire. Gill attended a Netball Now session at Amery Hill School in Alton & was very keen to help sustain activity within the area.

The Coaches, Volunteers & Officials Scholarship Scheme an initiative offered by our County Sports Partnership, Sport Hampshire & Isle of Wight, aims to increase the number of Hampshire & IOW residents qualified to coach, officiate or volunteer in sport! When Gill mentioned she was interested in becoming a Netball Coach this was the perfect scheme to recommend!

Gill is now a fully qualified LEVEL 2 Netball Coach, is leading on a Back to Netball session in Alton and 'giving back' to the community and her club. With the financial constraints involved in gaining a qualification which amount to around £450 for all aspects to be deemed competent, the scheme supported Gill to achieve this. In Gills own words "I'm having a ball and loving every minute"!

Workplace Challenge Netball Festival

Bisham Abbey National Sports Centre (Home of Netball South) Workplace Challenge

The England Netball staff based at Bisham Abbey ran an extremely successful Netball Tournament which saw eight teams from different work places getting involved in our wonderful game. The tournament took place on 27th June at the well-known National Sports Centre and saw over 60 people enjoying our sport in a competitive, friendly and fun environment. More than half of the participants who took part were completely new to netball and each team had at least three males making it a great and inclusive event!

We teamed up with the County Sports Partnership, Get Berkshire Active, to run the competition, which ensured a full tournament with as many teams as possible, they also provided some fantastic goodies so no team went home empty handed.

We also had six enthusiastic volunteers who helped umpire the event, thank you to those, and another special thanks to those who stepped in on the day to help, without you the event wouldn't have been able to run.

A big congratulations to the Berkshire College of Agriculture who took first place in the tournament, and a massive well done to all teams who took part.

Emma, one of the volunteers at the event told us "I think events like these are perfect, sport is a great way of socialising and bonding which, in most cases, is extremely beneficial to teams of colleagues, it gave them a chance to de-stress together, and have some fun. I hope I'm invited back to umpire again."

Due to the success of the day another has been organised for later in the summer, as well as three sessions leading up to it for the participants to practice their skills. To enter a Team, or find out more please contact louise.exton@englandnetball.co.uk.

Charity Netball Tournament

£700 for Cash for Kids with Whiteley Shopping Mixed Netball Festival

Staff from retail outlets at Whiteley Shopping came together recently for a fun and friendly Back to Netball festival, raising nearly £700 for the Cash for Kids charity in the process. It was the second year in a row that Whiteley held the popular festival, with teams from Tesco, Marks & Spencer, Wave 105, Topshop and Whiteley Centre Management all getting in the spirit.

Last year's Winners' Whiteley Wildcats (Centre Management) were beaten into third place this year, with Tesco Tornados taking the runners' up medals and Wave 105 Warriors finishing 1st, remaining unbeaten throughout the evening.

All the teams got points on the table and were given a few pointers from the volunteer umpires, who were all local Back to Netball coaches, or trainee coaches, throughout the evening. Tesco Tigers took home the wooden spoon but did draw their last game with Wildcats, such was their improvement throughout the festival.

Lisa MacGregor, who organised the event said: "It was a great evening of netball. We're pleased so many male and female staff from the outlets wanted to get involved, some of the men really get into the spirit, wearing tutus and most of them got to grips with the footwork rule, eventually"

She added: "We're really pleased to support Wave 105's 1000 faces campaign, raising money for Cash for Kids. Thanks to the generosity of Whiteley Shopping, Meadowside Leisure Centre and our fabulous volunteer organisers and umpires, all money raised will go to Cash for Kids."

England Netball's local Development Community Coach Debbie Laycock was in charge of proceedings and said "Its fab to be involved in this festival – its fast becoming my favourite Back to Netball event of the year! The spirit that everyone plays in is great and it was great to have so many of the participants asking about local Back to Netball sessions and other opportunities to play. We look forward to seeing them all soon!"

Back 2 Netball Festival

First Hampshire Ultra Violet Back to Netball festival hailed a success!

Local Back to Netballers were asking when the next ultra violet festival would be, after hailing the first one to be held in the county, a huge success!

Six Back to Netball teams from Portsmouth, Fareham, Gosport and the New Forest came together to act as 'guinea pigs' for the festival, organised by England Netball's SE Hampshire Community Coach Debbie Laycock.

Local workplace group St John's College took home the winners' medals, whilst Delme Diamonds finished in runners up sport on goal difference from newbies Netball Nutters, from Portsmouth.

Laycock said: "Thanks to University of Portsmouth Sport & Recreation Department we were able to test the ultra violet lights for netball and raise money for Bloodwise at the same time. The ladies really got into the spirit, using face paints, tape and reflective clothing to help them see! Playing netball in the dark is not the easiest thing, but as with all things 'Back to Netball' we all saw the funny side and had a giggle with it!"

£483.76 was raised for Bloodwise through entry fees and raffle. The charity was chosen in support of local netballer and Back to Netball volunteer Alex Milligan, who is currently fighting Leukaemia.

Laycock added: "Many thanks goes to University of Portsmouth Sport & Recreation for hosting us, and our fab team of volunteers who are so important to our Back to Netball events "

Celebrating Volunteers

The South Regional Golden Globe Awards 2016

On Saturday 2nd July, we celebrated our volunteers in style with our Annual Golden Globe Awards evening at The Village Hotel, Farnborough. The event was a great success and we would like to thank everyone who attended and made the evening so special.

The night began with celebrating the National success that the South have achieved. Congratulations to those teams and individuals that took part and won.

National Premier League	National Clubs Finals
Premier League Division 1 — Viper 10 Blades (7th)	U14s— Eagles (3rd), MK Netters (4th)
Premier League Division 2— Clan (6th)	U16s—Eagles (7th), MK Netters (8th)
Premier League Division 3 — Sussex Thunder (2nd)	
National Schools Finals	
U14s—Beaconsfield High (Joint 7th), St Helen & St Katherines (Joint 7th)	
U16s—Aylesbury High (3rd), Beaconsfield High (Joint 5th)	
U19s—Beaconsfield High (2nd), Brighton College (4th)	

The second portion of the evening was the Golden Globe awards part where we as a region celebrated the nominated volunteers in areas such as Young Volunteer to Administrator of the Year. Congratulations to all those that won awards and those who were nominated.

Julie and Melanie—Unsung Hero Nominees

Girls from Eagles collecting their many trophies

Gillian Frackleton—Special Recognition

The National Finals of the National Schools competition 2016 took place on Saturday 19th March in the grounds of Roedean School in Sussex. Although a little chilly the weather stayed fine for a fantastic day of netball.

In the U14s, Beaconsfield High and St Helen & St Katherines (our regional winners and runners up) performed well throughout their group stages finishing 4th within their respective groups. It wasn't quite enough to see them through to semi-finals but they came away from the finals in joint 7th position out of the 18 teams!

Beaconsfield High and Aylesbury High both competed in the u16 section. Beaconsfield narrowly missed out on a semi final spot finishing 3rd within their group and placing them joint 5th in the competition overall. Aylesbury High made it to the semi-finals and having lost out on a final spot to Grammar School at Leeds, went on to win their play off match against Wirral Grammar to place 3rd overall and take home the bronze medal!

The u19s was a close contest with both teams representing the South Region making it to the semi-finals! The teams met each other in the semis guaranteeing a South team in the finals. Beaconsfield were victorious and went on to play Grammar School at Leeds in the final. The final was a tense and close game which was nearly pushed to extra time but the whistle went with the score 10-9 to Grammar School at Leeds. Beaconsfield High claimed the 2nd place position for the competition and came away with Silver medals! Brighton lost out to Fallibroome in their 3rd/4th play off and finished 4th overall.

Our regional finalists had a fantastic day with all teams from the South finishing within the top 7 in the county! This is an amazing achievement. Well don't to all the schools, teachers, coaches, parents and supporters.

The South also had a number of umpires and volunteers supporting the event with many of our umpires officiating in the semis and finals.

Umpires from the South: Alice Johnson, Carol Williams, Chantel Moore, Chris Obin, Elaine Shannahan, Estelle Ball, Julie Wilks, Liz Swyji, Megan Pratt, Paul Withers, Tania Everitt

Semi-Finals: Elaine Shannahan U19, Estelle Ball, U19, Carol Williams U16, Julie Wilks U16, Chantel Moore U14, Megan Pratt U14.

3/4 Play Offs: Liz Swyji U19s

Finals: Alice Johnson U14s, Chris Obin U19s

Volunteers and Court Managers from the South: Audrey Castle, Bill Alexander, Carol Alexander, Janice Treasure, Jenny Poore, Jo Kelly, Mary Stanley, Jan Johnson, Olivia Johnson, Kate Miller, Margaret Storey

Coach Recruitment

Gosport Gators Coaching Opportunity

Gosport Gators are looking for a Proactive, enthusiastic, motivational and knowledgeable coach. Preferably already a UKCC Level 1 Netball Coach but this is not essential. The new coach will be working with our junior club members, ages range from 7-14. We train on a Friday night @ St Vincent College, Gosport from 1815-1930. The girls also play in the junior league at Cams Hill School on Thursdays, between 6-8pm. The voluntary coaching commitments will be on a Friday but if the coach wanted to provide support on match days too this would be greatly appreciated.

We are a very supportive club who have, in the past, either part or fully funded coaches on courses. This is something we would be willing to consider doing for the volunteer coach. In return, we would expect the volunteer coach to provide long term commitment to the club. A DBS check will be carried out by the club. If interested in becoming a volunteer coach at Gosport Gators Netball Club, please contact Hannah Hendrick on

[07527 047284](tel:07527047284)

hannahhendrick@hotmail.co.uk

South Bucks Performance Pathways Academy Coaching Opportunities

Assistant Coach

Main Purpose of the Role:

To assist in planning and delivering a well-balanced and co-ordinated programme using the Performance Guidelines and EN Performance Programme and liaise closely with the Performance Lead and Head Coach to ensure clarity and progression of the Performance Pathway.

Trainee Coach

Main Purpose of the Role:

- To attend Satellite and/or County Academy training sessions
- To shadow Head Coach and Assistant Coach
- To be mentored with the aim of gaining experience of the Performance Pathway and Academies programme

Head Coach

Main Purpose of the Role:

To be part of a panel of Coaches to plan, lead and deliver a well balanced and co-ordinated programme based on the Performance Guidelines and EN Performance Programme. To liaise closely with the Performance Lead and Regional Academy Coaches to ensure clarity and progression of the Performance Pathway.

For more information or to apply to these roles, please contact

Sarah Kucera, South Bucks Performance Lead

academies@btinternet.com

Netball Never Stops

Netball Never Stops is an initiative set by England Netball to inspire school leavers to continue to take part in netball, wherever their next steps take them.

If you're heading into the world of work, don't let the change in lifestyle stop you playing sport. Netball is a great stress reliever and there is a huge netball community out there that you can continue to be a part of to fit around any lifestyle. As well as club netball, we have lots of flexible sessions on offer, such as Back to Netball and Netball Now.

Heading to University can be a daunting task and one which brings a number of new challenges, not least the opportunity to gain a degree and meet new people that will possibly become lifelong friends. Netball definitely does not stop when you are at university and there are a whole host of opportunities to get involved when you reach your chosen place of study.

For more information on UNO's and how to find netball wherever you are, visit the England Netball website's Netball Finder through this link.

<https://www.Englandnetball.co.uk/netball-finder/>

Fundraising Success at Andover Netball Club

Andover Netball League took part in England Netball and Cancer Researches Net10 fundraising scheme where 10p was donated for every goal scored. They managed to raise a whopping £182 for a brilliant course. Congratulations ladies!

Team South Tigers Players to represent EN U19 Tour Squad

Two athletes from Team South Tigers have been selected to represent England Netball in the U19s Tour Squad. Ashleigh and Charlotte have been great additions to the South Team and academies and we are proud to see them representing their county in Jamaica.

Ashleigh Dekker

Charlotte Curtis

Jamaica Tour (5th-15th August 2016)

Head Coach: Jan Crabtree

Kingston

This tour will consist of match play vs Jamaica U21. The athletes were selected from the U21 Long Squad and National Academy programme and are as follows;

Halimat Adio, Amy Carter, Amy Clinton, Charlotte Curtis, Iona Darroch, Ashleigh Dekker, Zara Everitt, Rosie Harris, Claudia Heath, Rebecca Hault, Alana John, Lucy Parize, Jaydene Robinson, Lucy Stevenson

Reserves are as follows: ***Sophie Drakeford-Lewis, Hannah Gorman***

GOOD LUCK GIRLS

TEAM SOUTH TIGERS

Team South Tigers NPL squad:

- Hannah Blackman
- Liberty Burnett
- Helen Carter-Roberts
- Chartie Curtis
- Ashleigh Dekker
- Lucy Dudley
- Holly Ellis
- Ella Hadfield
- Georgia Jefferies
- Tara Jones
- Rosie Ling
- Georgie Maxfield
- Emily Read
- Alex Taal
- Hollie Williams

Team South Tigers participate in the Netball Performance League. It is an opportunity for young players in the South to enter into U19 national competition. The fixtures have seen Team South play against the NPL squads of all the big name Superleague franchises: Team Bath, Celtic Dragons, Loughborough Lightning, Hertfordshire Mavericks, Team Northumbria, Manchester Thunder, Yorkshire Jets, and Surrey Storm. Team South also played against another non-franchise NPL side, West Midlands Warriors.

Sat 23rd April	Team South Tigers	46-29	Junior Dragons

NPL/FL TOURNAMENT

Loughborough

The Team South Tigers attended the National Performance League Tournament 2016 in Loughborough on 21st—24th July. The athletes did extremely well against some seriously tough competition, showing an abundance of courage and level headedness. The athletes, coaches (Elly Moore and Lisa Manning) and team manager (Sue Baldwin) should be massively proud of what the Team South Tigers delivered over the weekend.

The Team South Tigers finished 8th in the tournament, and the results of each game are in the table below. Congratulations to all those involved, and special thanks to the umpires, scorers and technical officials who gave up their spare time to volunteer.

Team South Tigers	25	V	Team Northumbria	51
Team South Tigers	60	V	Celtic Dragons	43
Team South Tigers	22	V	Surrey Storm	22
Team South Tigers	31	V	West Midlands	40
Team South Tigers	23	V	Hertfordshire Mavericks	81

NPL/FL TOURNAMENT

Loughborough

Netball South also took an U17s team to compete in the National Performance Foundation League Tournament at the same venue. This team of young athletes did extremely well to finish 3rd in their group and 6th overall in the tournament. This team are a fairly new team, and despite not playing together for a long time, they really impressed us with their attitude, maturity and skill level. A special mention should go to Tara, Charlotte and Suzie, the captain and two co-captains who motivated the team over the weekend.

Congratulations to the coaches (Linda Cairney and Laura Fox) and the team manager (Emma Whitehouse), a massive thanks also to the umpires, scorers and technical officials, who, once again, gave up their time to help Netball South out.

Team South Titans	18	V	East 1	23
Team South Titans	29	V	London and South East	30
Team South Titans	23	V	North West 1	37
Team South Titans	31	V	East 2	22
Team South Titans		V	North East	
Team South Titans	28	V	Yorkshire and Humberside	27

EXCELLENCE IN SPORTS COACHING

Are you aged 12-25 or have young people in you club who are? Involved in volunteering? Want to get recognised?

What is Pass on Your Passion?

The 'Pass on your Passion' programme aims to recognise the countless number of young volunteers in netball. It aims to provide you with opportunities, ideas and rewards to help you on your leadership and volunteering journey. No matter what your role in netball, we want you to Get Involved and Get Recognised.

Who is it for?

Every young person aged 12-25 that is actively volunteering in netball , whether that's as a coach, official, committee member, event helper, school team helper...the list is endless!

How does it work?

Once you've registered you will receive your volunteer portfolio and logbook. Just log your voluntary netball hours and send back the yellow copy to England Netball to receive your rewards in the post! It's as simple as that! You have 2 years from the date you became a member to complete your hours and claim your rewards.

PLEASE NOTE: Voluntary hours can only be counted from the day you sign up.
